Abstract:

Today the Internet is growing very fast and wide, almost everyone in hemisphere was already familiar with the Internet, either directly or indirectly almost every day they use the Internet to meet their needs. Case This is a very big opportunity to take advantage of the Internet media as a tool to promote the product - the product of the company, entrepreneurs, shops and other forth. Internet media is a very effective medium compared with similar media because both cost and time required to make these ads are relatively cheap and quick.

At present, there are many sites - sites that provide facilities online advertising but the majority of the site - the site not offer it free or can be said to still pay.

Starting from the opportunities that the authors mentioned above, the authors are interested in designing and creating a site that provides a forum for online advertising free. These sites are www.narcisiklanonline.net16.net.
