Last, the researcher took a note of the taboo words expressed by the characters in the video.

The result of the study showed that the taboo words found in the video are *jancok (cok)*, *asu*, *gatel (guatel)*, *gaplek (guaplek)*, *matane*, *raimu*, *matek*, *siletmu*, *nelek*, *fuck you* and then were classified into taboo sex/copulative term (75%), bodily function (10,7%), excretion (7,1%), certain game/animal (2,4%), death (2,4%) and the left hand (2,4%).

Finally, the researcher suggests future researchers who analyze the similar topic to develop a study by analyzing taboo expressions from another point of view because there are still many categories that have not been analyzed yet, such as religious matter and the left hand.
