Abstract:

So far, there are still many Muslims who do not know fully about matters related to the problem-firqoh firqoh in Islam. Though many of them actually, especially Muslims, who wanted to know about how real-firqoh firqoh them. Lack of adequate information about these firqoh firqoh-emergence is a major cause of lack of understanding for the most faithful Muslims.

This application is made to provide alternative information about firqoh memberiakn using computerized media so that the necessary information can be found quickly.
