I. INTRODUCTION

This research papers deals with the life of Vaishno Devi and explains why it is perfect. Topics ‘Accelerate anti-gripping’ and ‘Inactivity’ is an extension of the research paper ‘Grips and Strings’.

II. CHILD THROUGH SURROGACY

If you have a relationship with a girl with defective eggs due to any reason like old age, you can still have babies with her through surrogacy. The condition is that you must have a relationship with her. Even if you don’t take her eggs for embryo, it will still be her baby not biologically but by default. The 2nd condition is you must masturbate for ejaculation by fantasizing her. It won’t be her baby if your relationship is one sided and not mutual. Your relationship with her must include talking, meeting, dating and romancing. Gay couples can also have a baby through this method.

III. ACCELERATE ANTIGRIPPING

We must not form a grip to negative thoughts. In fact, we must accelerate anti-gripping process. In this method, we must do an activity that is opposite to the negative emotion. By doing this we shift our grip away from the negative thought. For example, when we think of something that makes us cry, we can play a game of cards like solitaire.

IV. INACTIVITY

Whenever we form a grip of negative strings, then the role of de-gripping comes into play. Inactivity is the perfect form of de-gripping. It means not doing any activity for some time. We must not sleep when we feel sick because sleeping is an activity and doing activity grips negative strings. So the best way is to lie down without sleeping because lying down doesn’t categorize as an activity. It weakens the voluntary string and hence detaches the negative thought. We must know the difference between anti-gripping and de-gripping. Anti-gripping is the prevention of forming a grip to the

negative string and de-gripping is the cure of forming a grip to the negative incident. The following diagram shows how we can detach a negative thought from our grip.

V. SPIRITUALITY

The perfect life is the one that starts with spiritual level 60%. It becomes 70% by the age of 10, 80% by the age of 17 and 90% by the age of 23. And by the time you reach 40 years of age, your spiritual level will become 100% which means you have merged into God i.e. you married Him.

A total of 324 people have attained moksha till now. One characteristic of moksha is that whatever you touch will turn alive. Characteristic of the last 20% spiritual level sustains with your current level. Here is a look at the spiritual levels of our famous Bollywood celebrities:

- Aishwarya Rai Bachchan = 63%
- Salman Khan = 61%
- Shahrukh Khan = 30%
- Aamir Khan = 48%
- Amitabh Bachchan = 55%
- Anupam Kher = 30%
- Priyanka Chopra = 30%

Mukesh Chopra

- Hrithik Roshan = 20%
- Dia Mirza = 30%
- Karan Johar = 50%
- Farah Khan = 44%
- Katrina Kaif = 20%
- Deepika Padukone = 30%

Mahatma Buddha sacrificed everything for spirituality. The sins that Lord Krishna made by having 10 children each with 16,108 wives becomes nullified this way. This way the new Kalki avatar will start off with 60% spiritual level. Vaishnavi will merge into Lord Kalki by marrying him. This way her spiritual level will reach 100%. Merging into God doesn't mean you won't have an existence. If Vaishno Devi will have an existence after marriage, so will others who reach 100% spiritual level. Death of Lord Kalki and his 2 wives will be on the same date. The reason is that if God Kalki dies before his wife, her spiritual level will demote to 90%. So to sustain the spiritual level, Vaishnavi will sacrifice her life.

Current God (Lord Kalki) will be a combination of 3 Gods: Vishnu, Shiva and Brahma. Shiva is the destroyer of Kaliyuga, Brahma is the creator of the new Satiyuga and Vishnu is the preserver or protector of the world during this process. Since Lord Krishna and Lord Rama are worshipped only in India and Indian diaspora worldwide, Lord Kalki being superior to them will be worshipped throughout the world. Lord Kalki's 1st wife will have the souls of Goddess Lakshmi, Parvati and Saraswati. Similarly Vaishno Devi will be a combination of 3 energies of Goddess Lakshmi, Saraswati and Kali. Lord Kalki will be 12 years older to Vaishnavi. He will collect troops to attack Demon Kali and his army from the age of 40. And he will marry Vaishnavi at the age of 52. After the 10 avatars of Vishnu are complete, the next God who will arrive is Lord Shiva and eventually Lord Brahma will take His avatars for the next yugas.

VI. HORIZONTAL AND VERTICAL

Here is the descending order of different fields in terms of stature:

1. Prime Minister
2. Chartered Accountants
3. IAS Officers
4. Scientist
5. Doctors
6. Architects
7. Actor
8. Engineers
9. Singers

10. Teachers

This is the list of the vertical growth by profession. Excelling in a field to great lengths comes under horizontal growth. Here the direction of hardwork comes into play because you may be working hard to excel in a field but still rate lower vertically. True growth is when you score well both horizontally and vertically. Since Goddess Vaishnavi has 3 energies, so she will have 3 professions: artist, celebrity and scientist.

VII. LONELINESS REASON

We must realize that we are all one of a kind and each has his own set. Usually when we reach to the top at something, we have no one to relate to because we have our own identity. Like in school, we can discuss with our classmate solutions to the problems of a particular chapter. Similarly, engineering students can discuss the solutions with fellow students. But when we excel at something, we become one of a kind and we have no one to relate to. When loneliness feelings start creeping in, we must realize that each topper has the same story and being successful doesn't mean that you are a God.

VIII. UPS IN DOWNS AND DOWNS IN UPS

Whenever we talk about beauty, we can't forget the most beautiful woman in the world Aishwarya Rai Bachchan. Ash's beauty goes from down to up. But Vaishno Devi's beauty goes from up to down. Not only her beauty, but her relations and talent goes from up to down.

Relations from up to down includes:

- No involvement with inferiors.
- Chatty only with the great.
- Becomes an introvert when it comes to mixing with classmates.
- Friendly only with high profile people.
- Can talk about any topic only with a selected few.
- Remains silent with the rest of the people other than the near and dear ones.

Apsara's rejection by Demon Kali will get cancelled when Lord Kalki and Goddess Vaishno Devi becomes her relative after their marriage.

IX. EVIL CLASSMATES

The classmates of Vaishnavi are all evil and will be killed by the Lord Himself. Since Vaishnavi excelled in 4 directions i.e. Beauty, studies, oratory and art; all her classmates developed a one sided relationship with her. They would sit next to her bench in school. They would blow horn following her till the end of the road on activa. This way she had 15 boyfriends all of whom left her when she faced an embarrassing moment on stage. She continued increasing her level in those 4 fields after which all of them accepted her back. She then left the school for a better one, the best in the

city. This way she left all her 15 classmates who nicknamed her 'Bhabhi'.

X. BENEFITS FROM ALL DIRECTIONS

- Born with elder brothers who protected her, her father was a Doctor and mother American.
- She had a big group of friends to play with as a child and felt at times that it doesn't get any better.
- Mother believed in 'Feng Shui' and she corrected all the vastu dosh of the house.
- She had cordial relations with all her relatives.
- She was beautiful as a child and often got attention from people which made her feel special.
- When families converted from joint to nuclear, her father coincidentally shifted into the new house after 48.5 years as suggested by the pandit.
- Her father was very protective about his family and won 45 fights for family members.
